# *Karijini Things To Bring Along*

## Footwear

Something that is comfortable and can get wet, example our guide wears rubber sandals with Velcro straps

## Water

You need only a water carrier & bottle as we supply your water, example our guide carries a 1.5 litre water bottle for him self.

## Toileties

Bring soap, towels, toothbrush, medication, etc

## Sleeping

You sleep in fresh lined sleeping bags with pillow supplied on beds not swags

## Clothing

Older clothing is recommended as the red earth does stain, yes it can get cold at night ( Late May – Mid September are the coldest months at night)

## Food

We supply your main meals and fruit not your snacks or alcohol

## Stops on the way

We stop on the way at the Nanutarra Road House where you may purchase a coffee then shortly after for lunch which we supply. Next stop is Paraburdoo where you may purchase your alcohol and snacks, then onto Karijini N.P.

## Extras You should Bring

Bathers, hat, sun block, mossie/ fly repellent and head net all available at the Coral Bay Supermarket. Camera batteries/ memory card, dry bag if you have one, we have a dry bay. We have 240 volts available to you to recharge batteries or any other use required.

Something to read on the road trip.

You will have to carry your own water, towel and camera etc, so you may wish to bring a small carry bag.

## Mobile Phones

Do Not Work In Karijini National Park or on the drive there and back. Only in Paraburdoo and Coral Bay if you are with Telstra. We have a satelite phone **for emergency phone calls only.**

## Adventure

You don't have to worry about that either it is supplied just smile and have a great time. Fitness required to be able to walk up and down 8 flights of steps twice in one day
